

**We are going on a trip to Xplore! in Wrexham.
Xplore! is a science discovery centre.**

There are people who walk around in blue shirts. These are science communicators and are here to help us.

**We might put our coats and bags in a locker.
These are located in the lunch area.**

**The toilets are at the back of the exhibition area.
If I need the toilet I should tell whoever I am with where I am
going.**

We have a space that is perfect for getting changed if you need to.

If I want to know more about any of the exhibits, I can ask a science communicator in blue.

We can touch and have a go at as many of the experiments and puzzles as we want. Here are two exhibits we may see.

There is a dark area next to the theatre.

All the exhibits here are about light. This means we have turned the lights off so that all the exhibits work.

**Xplore! has one rule.
We are not allowed to run in the centre. This is to keep everyone safe.**

Xplore! has a shop.

We may be able to buy something to remember our trip. Our adult will keep our shopping safe so that we don't lose anything.

Xplore! has a cafe. We might buy a snack or some sandwiches. We should only eat in the café or the lunch area. We shouldn't eat around the exhibits.

We might have brought some food for lunch time. The lunch area is near the entrance and has lots of benches.

We will have a show as part of our visit.

The show is live and will be in the theatre. The presenter will need volunteers. Put your hand up if you want to help or answer a question.
