

Schedule May 17th

Theme: Forces & materials

Our presenter led interactive shows take place in the science theatre and last around 30 minutes. These are the perfect opportunity to see unusual demonstrations and equipment, all tailored to specific age ranges.

Theatre:

10:00 Forces show – Ages 5-11

11:00 Materials Magic show – Ages 7-11

13:00 Forces show – Ages 9-14

14:00 Materials magic show – Ages 7-11

15:00 Forces show – Ages 5-11

The drop-in sessions are hands-on and a chance to do experiments and challenges at your own pace with the support of our presenters. They are ideal for putting in practice STEM ideas and principles in a safe and engaging way. The sessions are held in our flexi-space or workshop rooms.
